General:

I respectfully ask that 2<sup>nd</sup> Lt John  
Lidner of Co. 36<sup>th</sup> Ala. Regt. be commissioned  
Captain in the Adjutant & Inspector General's  
Department and ordered to report to me  
as Inspector General of my Brigade.

Lt Lidner is an officer of peculiar fitness  
for the position I desire him to fill, and  
his present rank is far below his merit.  
There is no immediate prospect of his pro-  
motion in his Company. I believe the  
increased rank which I ask for him is  
justly due to his industry, zeal and  
intelligence in discharge of his official duties.

Sir

Since the

promotion of Company I, 36<sup>th</sup> Regt. Tenn. vol. inf. to Major, I have been recommended for a decoration for gallant conduct in the battle of Chickasawga, while acting in the staff of Brig Genl Clayton. It gives me pleasure to see my testimony to the general soldier by having your publicly and in recognition of St. Videns during the same month, I commanded the 36<sup>th</sup>.

St. Videns is undoubtedly  
edg.

a young officer of superior  
moral & efficiency.

The appointment  
ought for him, will of course  
be one of the best, and will  
put in a man who will  
improve the service. Such as he  
must be, even, has reason  
from the facts, & the cannot

Head Quarters, Claytons Brigade  
near Chattanooga, 31st Oct 1863.  
General;

At the Battle of Chickamauga  
Lieutenant John Vidmar, of Co I 36th Ala Inf,  
was acting Inspector General upon my  
staff, distinguished himself through the  
whole engagement, upon both days of  
the battle, by his conspicuous gallantry.  
He was particularly efficient in urging  
forward the line, rallying the men when  
broken and at all times prompt and  
energetic in doing whatever occurred as  
necessary to be done.

For his services upon the occasion re-  
ferred to I recommend that Lt Vidmar  
be promoted. I am desirous of retaining  
him in my staff in his present position  
and on this account would prefer that he  
be commissioned in the U.S. Army  
and ordered to report to me that I may  
assign him to the same duty, or if this  
is impracticable and he is so promoted  
as to be transferred from this command  
I recommend that he be given a field  
office, as I believe he will be most  
useful in some position where he will

Dear Sir

Your letter dated 28<sup>th</sup>  
last was received here by Lt. W. M. Mahan  
when I returned from Currituck.  
I regret very much not to have it  
in my power to promptly reach you  
in regard to the application of  
the Marine for the 2<sup>d</sup> Section and  
the Company. It is now  
too late to recommend him when  
the vacancy occurred. I trust you will  
do all the good to assist Mr. Tilden in  
this matter as I look upon him as a very  
deserving man & competent to discharge all  
the duties of an Officer and a Soldier.  
I am very glad to hear Mr. Mahan  
is willing to attend me, Little Boy  
I am ever yours,

I wish you a happy new year.

Very respectfully,  
Your Obedient

E. Van Dusen  
Captain, Co. E

I have the honor to request that  
you should be so good as to provide extra size

General -

It is with deep regret -  
that I have to announce to  
the War Dep<sup>y</sup>: the death of  
Brig<sup>l</sup> Genl John B. Villapigue  
P.A.C.S. - he died near Port

Genl Villapigue had recently  
been assigned by me to the  
command of a Column of  
four thousand men intended  
to operate wherever their  
services might be most needed.  
It is unnecessary for me to say  
that the Government has lost  
in him a most capable officer.

May 13th, 1862.

Genl:

I have the honor to enclose certificates of elections held in all the twelve months' troops at my post, in pursuance of the recent act of Congress, requiring them to re-organize for the War. As prescribed in the same act, I also transmit lists of all those officers who have not been re-elected. They have all been relieved from duty at this Post, and permitted to return home.

I have also caused the ten companies of Heavy Artillery to form a Regiment. They have elected competent and deserving Field Officers, and the organization gives promise of efficiency for the future. Some of the companies are very small, mere fragments;—but by means of the prescription and recruiting service, I will endeavor to have them filled up as speedily as possible.

I am, General,

Very Respectfully,

Col:

I am just in receipt of your communication of the 15th inst, in which you say: "Col. M. H. Scott, 12th Ia. Regt reports that he has 12 Companies of 100 men each in his Regiment - In your return of the 31st of March, his aggregate present and absent only shows 1054. The General Commanding desires to know what disposition has been made of the rest, 146 men."

In reply, I have the honor to say that "the rest, 146 men," did not join Col. Scott's Regiment until the 8th of April; - and consequently, could not be accounted for in my return of the 31st of March.

I have the honor to en-

month ending March 31st, 1862. The  
delay which has occurred in trans-

To the Hon L P Walker

I have the pleasure to  
acknowledge the application of  
the Hon James B. McMillan, and Mr. B.  
McMillan, Secretary of the United States, in relation to  
the purchase of the land in the County of the Confederate States. We  
enclose herewith a letter in relation to the subject,  
which we request you to read.

With great respect

Yours D. L. S. L.

J. A. McMillan

Having great confidence  
 in him I applied at the  
 War Dept. for a letter of introduction  
 to Captain J. C. Davis, the  
 1st Lieut. John H. Callaghan  
 of the Engineers and he was  
 immediately sent up in  
 a train to the front  
 to the 1st Division at the time  
 the 1st Division was in the  
 line at the Battle of the  
 Wilderness. I met him at the  
 time he was at the front  
 and he was very well  
 liked by the first division of

To the Hon. Secretary at War  
of the Confederate States.

Sir, I beg to place the name of my Son  
John B. Villipigue, of Camden, So. Ca. before You as  
an applicant for office in the Cavalry Service of the  
Confederate States.

He is a Graduate of West Point Academy, he  
was honored as the Second best in his class, was there  
immediately commissioned as a Lieut. of Cavalry, and has  
been in that Service now going on eight years. He was  
Honored the past Year at Camp Floyd, and Fort Crittenden  
in Utah Territory and has but recently heard of the difficulties  
and Political disunion of his native State from the late Union  
during his absence. The Governor of South Carolina has  
been pleased to appoint him to the office of Captain of  
Cavalry in the enlisted troops of So. Ca. But as this is only a tem-  
porary Service, and he desires a permanent military Service in the  
Government of the Confederate States.

I have just received a letter from him, dated Fort Crittenden  
15<sup>th</sup> Feby. in which he says that it is a desperate undertaking, but  
he will leave the Post, and resign the Commission, and leave there  
just as soon as it is possible & hopes to be there in six weeks from the  
date of his letter.

With great respects

Sir

It is unnecessary to tell you that I am in Louisiana  
~~in the service since the 18 June 1861~~  
not mind to enter you, therefore I will not  
enter all the details.

I have sent my application for transfer into  
the Engineer Corps, approved by Major  
Genl. J. B. Rickett & Lt Gen John B. Rives  
on the 12<sup>th</sup> of February 1862, after having  
been exchanged, the Major Genl. General  
remitted my papers to Col Turner, then  
Chief of that Corps, & I received  
a letter from him & several since, at-  
tending that my claims would be atten-  
ded to until now. I have not got  
any thing, if there is already to ma-  
ny Engineers Commissioned, & hereby  
request to be promoted to the  
rank of Major of Artillery in the  
regular service, I have always been  
in artillery service, except since  
the 12<sup>th</sup> of February that I have  
been surveying for the maps you saw  
at Meridian & also making forti-  
fications in this Department. I have

Lt. Col. W. A. Brounwell

Sir It is important that  
the War Department:— Should furnish  
you two or three Masters—of great energy,  
good judgment and experience.  
Men who are willing to work, and

sides of the river.

You had better telegraph  
therefore to the War Department, that  
if two such officers cannot be sent  
you from Richmond—that you  
shall be empowered to select them.

Signed

to get lost.

Dear Sir,

I have endeavored  
to ascertain the names of the owners  
of the teams that were pressed into  
service & assigned to this Regiment  
about the last of July or 1<sup>st</sup> Aug/61  
I have found out the names of  
13 teams from a man who owned  
one of them. The names are—  
R. J. Moran, Mary Elgin, Malinda Small  
Richard S. J. Jones, Thomas Veal.  
John Jones, S. Heffer, T. Huse,  
John Loring, H. S. Drury, R. S. Loh,  
John Strong, George Cornell.  
Thomas Veal team was returned  
to him two weeks since by order  
of Col. J. Cabell.

The above teams were assigned  
to this Regiment about the 1<sup>st</sup> Aug  
1861. I became S. M. of this  
Regiment I owned (10) teams,  
but only three (10) teams belonged

to or whether they were sold or  
not, I am not able to say, there  
was (as far as I can find  
out) a list of the owners of the  
guns furnished to this Regiment

Very Respectfully  
J. H. Taylor, ~~Adj.~~

Sir

I have the honor to request  
that your rank in the A.D.C. to the  
late Gen<sup>l</sup> Little may be transferred in the  
same capacity to my staff —

Gen<sup>l</sup> Van Hook has been con-  
stantly in the line since the death of Gen<sup>l</sup>  
Little, next as the bearer of dispatches  
to Richmond to the Sec<sup>y</sup> of War & Adj<sup>t</sup> Gen<sup>l</sup>  
after performing which duty he joined me  
the 15<sup>th</sup> Oct at the latter place, and has been  
since acting as my aid —

I presume a simple transfer with  
is sufficient without additional appoint-  
ment, but however I would respectfully  
request that his appointment may date  
from the 15<sup>th</sup> Oct 1861 —

Very Res<sup>ly</sup>

Dear Sir,

It would be most gratifying to me  
kindly a bracketed by me and family were  
it possible in your discretionary power, to release  
Mr Charles Forbes a prisoner in No. 21 Rampart  
Street, or parole to reside at my house. He was  
imprisoned some six months since in the coast  
by the accidental discharge of his gun, and has  
been deprived of the use of his hand ever since,  
and without particular care may never be able  
to use it; his general health is also impaired.  
These remarks are suggested in support of my  
application which I trust will be met with  
your favorable consideration. Mr Forbes is a cousin  
of mine; he was taken prisoner on Red River  
at his aunt's, Mr John Wilson, a loyal citizen  
his father resides at Lexington, Va, and is also  
a loyal citizen of the United States.  
I am, very respectfully,  
Yours truly,  
J. J. Tompkins, Jr.

Others will state the evidences of his

General

The Naval Battalion to which  
you refer in your letter in regard  
to the appointment of Capt [unclear] to  
its command, has only five companies, &  
is consequently entitled to but one field  
officer at the rank of Major.

You have been the primary au-

which is correct, while will have the  
position vacant, if the resignation is  
accepted. I had never said at the  
last report that the senior Captain  
of the Battalion is entitled to an ex-  
tension for the next year, and that  
if he resigns, the next Captain can have  
it. I have seen, and all the others  
have seen him. If all fail, the Sen-

I am, therefore, that it will

Dear Colonel:

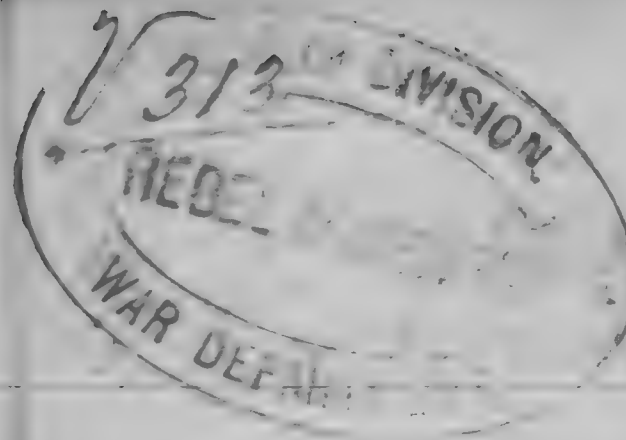

I have just recd your letter in reference to Capt. Vowles.

The War Dept. has decided that the senior Captain of the Army Battalion is entitled by law to promotion for the Command unless found unfit for the position by an Examining Board. If the senior Captain fails to pass the Board the next Captain is entitled to an examination, and so on until all the officers of the Battalion have had a trial.

If occasion should offer, I will be very glad to do what I can for Capt. Vowles and will bear him in mind.

My Gen. Polk

I was detained yesterday,  
by an almost impassable swamp,  
and did not reach Gen. Hord's  
quarters until 4 o'clock P. M.

I deliver your despatches. The  
General and his entire command  
at this place seem to be in good  
health and fine condition.

I have to go for Gen. Mc - carry  
a distance of over 200 miles  
from this place - I will not be  
able to make over 50 miles each  
24 hours - I shall expect to  
reach his camp next Saturday.

Do me the kindness if you  
please to put the inclosed

here of paying the postage you will  
please do so for me as it will

Sir

I most respectfully ask that you will give me an appointment as a Lieutenant in the Camp of Instruction located at Greensboro in this State. In asking this appointment I do not ask as one just entering the service, but as one who has seen some very hard service since the commencement of the war. I served for two years and was then compelled to resign my commission as a Lieutenant in the Army from ill health - I am still unable to perform field duty and have been so pronounced but I think I am fit for camp duty and would be very much gratified if you would give me the appointment I so much desire. I have three brothers in the service and would be again in the field myself if I was physically able there to remain until the last of our enemies were driven from our soil. Hoping that my application may meet with your approval and that I may hear from you soon.

Yours respectfully  
gratefully

Sir:

Arrived last night.

Your letter of 7th ult. In the absence of Genl Jackson - he being at last accounted in pursuit of the enemy in an adjoining County - I consulted Genl Johnson on the subject who approves of your suggestion.

I am having a list prepared of the men in Hospital "who will bear transportation, & who will not be well enough to return to duty in a few days", and will furnish you with it, when made out, so as to receive your order as to the direction they must take.

Surgeon General S. P. Knapp...

Sir:

I herewith tender  
through you to the Secretary of War my  
resignation as Surgeon P.A.C.S.

When I entered  
the Service as Surgeon in Charge of this  
Hospital my professional engagements  
to this Community were performed by  
my Partner in the practice, Dr. Baldwin,  
now deceased.

The urgent calls made  
upon me now by those - many of whom  
are in the Army - who have sustained me  
by their confidence and patronage for years -  
the absolute need of medical aid by this  
Community, and the conviction that I can

be more useful in this field than in  
a public position even to the great cause  
in which we are so heartily interested, are  
the reasons which influence me in a  
decision which I trust will be sustained.

Permit me in conclusion  
to express to you my gratitude for the  
uniform courtesy and kindness which  
has ever characterized your official  
intercourse with me.

I am dear Sir

Very Respectfully

Yr Obed Servant

Dear

My dear Mr. Webb

June 17 1862

The insurance of the steamer without leave in the morning  
reported is accounted for by extracting the same from "Indicate, Service"  
There are men now detailed on government vessels upon "Indicate"  
and that is now to Richmond and are now employed  
working in the harbor.

Yours truly

A. A. A.

sure, but even so first I want to  
say that your attention from the  
fact that I am here (you know) may  
be a little more than just a passing  
attention but perhaps one and not much  
the Commission was a long one. And I  
saw from your letter to me and the  
in a way to report on his work to  
to go to the Commission. While they are  
about to be reported as one of the  
Commissioners and one of the principal  
very small.

On the other hand, it is a Commission that our  
Commissioners are at all times, but it is not  
and our efforts are not enough to  
the Commission and the Commission are  
regarding a Commission by the Commission  
with the Commission of your Commission  
Commissioners. The Commission is not  
on the Commission is not effective and the  
Commissioners are not officers, and cannot  
manage of the Commission, some of  
whom I could not see so with the  
quite possible of joining their Commission  
in that way.

Now your Commission is a Commission from the  
Commissioners. The Commission is not  
any other Commission. The Commission  
the Commission of your Commission. The Commission  
to the Commission is not a Commission which  
is not a Commission. The Commission  
into the Commission is not a Commission.

Letters Received  
A & I G O,

Medical Director's Office,

GENERAL HOSPITALS N. C.,

Raleigh, Dec. 12<sup>th</sup> 1863.

Sir, I have the honor to make application  
for the appointment of S. S. Stoddell an  
unassigned Conscript, as Hospital Steward,  
for duty in this office, as a Clerk.  
He has been in the hospitals at Wilmington  
as Clerk and Acting Steward, since May 1860.  
He has been on duty in this office, since Dec  
3<sup>rd</sup>. He has been examined by the examining  
Board of Hospitals and reported on favorably;  
the report is enclosed. He is the only hospital  
attendant in this State, who will act, as a  
Clerk in this office, that I am acquainted  
with. It is absolutely necessary to have two  
clerks in this office, to attend to the business  
properly. I have had two, on duty here all  
the time, since Oct 26<sup>th</sup>, working from 9 AM

CONFEDERATE STATES OF AMERICA,  
QUARTER-MASTER'S DEPARTMENT.

Jackson. For J. R. 1864

Capt.

On this I have received from the  
of the St. Jackson Rail Road, instructing me  
that only the Quartermaster's Office at Summit  
Camp House and Ponchatoula. I therefore  
will you gather all information on the  
following points:

1<sup>st</sup> - Whether Quartermasters on duty at  
these points are bonded. The date of their ab-  
signment & by whom assigned to duty.

2<sup>nd</sup> - The facilities for procuring horses at each  
of the above stations & the prices at which it can be bought.

3<sup>rd</sup> - The most practicable route for transportation  
from the river to the Rail Road to Summit, Bayou and Camp House. Have all now  
mentioned as proper points to ship horses.

Great trouble & complaint has arisen from  
incomplete arrangements in the supply of horses  
for Camp House & Ponchatoula. In the recent  
I have advised Capt. Powell to be at Summit  
to purchase corn & fodder. Corn should not  
exceed \$2 50 in bulk, and fodder \$1.25 in  
bulk. Parties entitled to wages by making  
requisition on him may be supplied. If  
there be bonded Quartermasters at Calhoun  
& Ponchatoula. Capt. Powell will then be

to have sufficient quantities on these  
receipts — at any rate Capt. Jones will  
direct such arrangement as will certainly  
secure the prompt issuance of forage  
for the troops here. Submit.

Very respectfully

Attest to the Chief of Ordnance.

Dear Sir:

The increasing demand  
on the Government for projectiles, together  
with the very large amount daily expended  
in the purchase of ammunition for the Ordnance  
stores, is now pressing to supply us; by order  
of the Chief of Ordnance, to use their utmost  
endeavour to supply the great and increasing  
demand for ammunition and which the General  
Government is now expected to be furnished.  
The case of the expenditure is thousands of  
pounds per week, together with a large amount  
of money. Therefore beg that you will make  
an effort to make at once heavy proposals  
for the necessary equipment for a defence of this  
city. This is very evident. This siege will be  
a long one and all our energies will have  
to be directed to the proper equipment and

Sir Enclosed please find  
 Surgeons certificate of my ill health.  
 I regret very much that my poor health will not  
 allow me to continue longer in the service of our  
 suffering country. But Sir I am thus forced and  
 at this important crisis to tender my resignation  
 of an office I can no longer fill with justice  
 to myself or country. Though I assure you it is  
 with painful reluctance that I now do so that  
 you will give this your earliest consideration.

Sir -

I have learned incidentally, that Dr  
R. A. Wade, in charge of the Genl Hospital at Abilene  
Bluff, was sometime since dropped by order of  
Lt Genl Smith - If such is the fact, it is necessary  
that a Medical Officer be sent down immediately  
to take charge of the Hospital at that point -  
I have selected for that duty Dr E. F. Pyle who  
recently passed a favorable examination before the  
Army Medical Board - & desire him ordered down without delay.

In this connection, I have the honor to request  
that I be, in future, informed of all changes in the  
status of Medical Officers serving in the Hospital  
Department of this District -

Very respectfully

Office General Hospital.  
Gunnville Ala. Sept. 12<sup>th</sup> 1863.

Mr. H. Wade.

Commissionary Agent.  
Gunnville Ala.

Sir,

In reply to your inquiry concerning the subsistence of the sick and wounded, and the employees at this Hospital, you are respectfully informed that our supplies are issued by the Commissionary at Pollard Ala. seventy (70) miles distant from this place. It is necessary to send a man with each provision return to secure the safe transportation of the provisions; and in several instances when accidents have occurred on the road we have been deprived of the proper amount of supplies for three or four days at a time.

The great distance of the Commissionary renders it inconvenient for him to forward his "abstracts" at the end of each month to be compared with the original provision returns, and signed by the Surgeon in charge.

Another inconvenience is that soldiers furloughed from this Hospital do not have the privilege of having their rations commuted for the number of days to which they are entitled, as they do at other General Hospitals in the army.

This Hospital was built by the Government, and accommodates two hundred (200) patients. This being a healthy locality and convenient of access by railroad it is probable that before long the number of sick and wounded sent from the "Army of Mobile" will be largely increased.

It is my opinion therefore that the services of a Commissary are much needed at this post, and that the appointment of one would be beneficial to the service.

Very respectfully,

Your Obedt. servant,

W. H. Murphy.

Asst. Surgeon in charge.

An ~~Account~~ <sup>Report</sup> current would have  
been sent you long since but during the time  
we were being sent from one place to another  
it was impossible to keep a record of anything -

During the month of September  
I received of Major H. C. Lee, Knoxville, Tenn.  
three thousand dollars which with four hun-  
dred dollars from the latter from sale of provisions  
to officers, has been all the public money re-

Col. E. B. Sontag, Com. Gen.  
Richmond Va.

Dear Sir - Your letter accompanied  
by a circular was received by me while at Mill  
Springe, Wayne Co. Ky. and was responded to imme-  
diately on its reception with my letter, containing  
reasons why I had not furnished reports  
due -

The December report was then ready for  
the Genl's signature, & he being absent, Lieut.  
Col. Mattball declined making recommendations &  
issues not ordered by himself - and it had  
to lie over till Col. Statham returned which  
did not occur till after the disaster at Mill  
Springe. The other reports were ready to be  
forwarded and were only waiting Col. Sta-  
tham's signature to the Department, when  
they all came together.

For the disaster at Mill Springe  
all the books & papers belonging to my department  
with all the commissary property in my possession  
were together with some supplies were lost.  
Not having any other means of sta-  
tionery it was impossible to keep an account  
of anything and the result - I regret to find  
I can't keep as accurate an account as

portion of my own funds in making my ~~own~~  
trip at Mill Springs. I wish you would inform me  
from what source to receive my salary - through  
the department or the quartermaster. I stand  
in need of it not yet having received anything  
for my salary in the commissary department -

I would have written sooner  
but this is the first opportunity I've had  
since the occurrence at Mill Springs &  
which I write in an order of -

Richland June 12<sup>th</sup> 1862

Sir - I got my return and accept  
current nearly complete on the 2<sup>nd</sup>, west, what I mean  
Cousin but was taken sick, and the young man  
that has been attended in the Comm. Department, &  
have heretofore done my writing, being at home  
on sick furlough I have to defer completing &  
forwarding the reports and Accts. until now.

Hope they will be satisfactory. The paper upon  
which they are made is coarse & impure but it  
was the best I could obtain - we have no station  
ery in Camps. Please Address me at Richland  
Holmes County Miss. Very Respectfully J. H. Wadsworth  
P.S. Accompanying these find Certificate of Capt. of Sealer

in. In my last Report. I Re-  
ported between two & three hundred  
dollars due your department after  
crediting from of loan \$120. Cash  
out \$30. & my salary from 1 Feb  
to end of May \$5-60. The reason  
of my wanting my salary was  
that I called on the Quarter Master  
at Corinth for it, he said he  
was out of funds just then, but  
if I had money in my hands  
to amount the amt which I did  
& should have been glad if  
it had been so arranged as my  
condition is such just now  
that I cannot attend to it.

As to the mules (October/61) It was  
simply this - on arriving at Cumberland  
Ford, where from there I sent for 6 bbls  
fork. got 5 away. Got summary orders  
to cross the mountains wagons had to start  
fork three miles behind & had to be left.  
Very Respectfully Yrs. J. M. W.

Since a hatchet, I could obtain  
 nothing more after we left Miller  
 Springs where all I had was left.  
 These are the articles as well as I  
 can remember, I have them at  
 home & will see I turn them  
 over to Agent Crawford who  
 was appointed to fill my place  
 after I resigned. I took his receipt  
 for the same and forwarded a  
 receipt with my last return, if  
 it has not been received, and  
 Crawford should win return from  
 the Army, or I can be in correspon-  
 dence with him I will obtain a dup-  
 licate and forward it, I suppose  
 they cost about \$5.00.

If in the hurry of business in-  
 convenient to a Dy. on the Continental  
 move I beg to beg your  
 papers sent you, I regret it if  
 by you will return them from  
 my signature, which will be

of Tachias, and if I tried to  
to give the troops something they could  
eat and have made myself liable  
for it but I know they feared  
badly. The candles I had to burn  
in packages or not get them at all  
they were often in a adulterated  
condition & short weight, when I  
had candles, which was but seldom.  
I had to issue full rations, and  
if the weight was short I could not  
help it, the troops got all that I got  
& I think there was some times in  
my reports, perhaps, equivalent to the  
wastage, the wastage on salt I could  
not advise, the adulterated salt out  
of which much had been wasted, and  
the transportation of them in tinco  
covered wagons, exposed to rain & high wa  
ter, I could not make it hold out, & often  
we had no salt. The commissary property  
I have nothing except a couple fine  
tablets, a few small hand-bellows.

Commissary General

Richmond

Sir, I have been here  
more than two months, from my  
home near Buckland Holme, County  
Wick, conferred by a fall from my  
saddle, which was, with high probability,  
a letter dated 18<sup>th</sup> Feb. <sup>from your department</sup> signed by  
Mr. Williams with certain remarks  
has just been received, forwarded to our  
friend Richmond, as soon as I am  
able to return home I will comply  
with the directions as far as im-  
possible. It is wholly impos-  
sible for me to make any corrections  
of information before the battle of  
Mill Spring, &c. as I then lost all  
my papers - & every thing I  
have except what I have on. You  
are due to have certificates of, &c.  
of the relation to the loss of

my papers on the Railroad from  
 Mill Springs. This it will be impossible  
 to do just now, the Col of the Reg 15<sup>th</sup>  
 Miss Hol. is dead, the <sup>after the battle</sup> ~~last~~ Lt Col. & Major  
~~left~~ immediately, and I raised the 29  
 Reg. & I have not seen them since  
 the 15<sup>th</sup> Reg is now on duty I know  
 not where, nor do I know of but one  
 person that I could now apply to  
 and that is Capt Armstrong who was  
 the 9<sup>th</sup> Master, got wounded and  
 is, as I learn, in the pay department  
 in Jackson<sup>Miss</sup>. If his statement will  
 do I will obtain it as speedily as  
 possible. My trunk was burnt in  
 the commissary building on this side  
 of the Cumberland River with many  
 others, where they were deposited, trans-  
 ported, and what I was endeavor-  
 ing to get transportation, the enemy  
 appeared on the opposite side of the  
 river & the building with contents  
 all on fire. This is a terrible statement of

of each, Every thing was lost, ~~As to~~  
As to ~~the~~ issue of money I do not know.  
Remember whether it was by order  
Read on draft, parade, or whether it  
was of a want of sufficient supplies  
and at a total want of many arti-  
cles, the soldiers were entitled to be  
that as it may I know I acted in  
good faith, and did the best I could.  
The <sup>(1st)</sup> May, Return perhaps I ought  
not to have made, as it was read  
out on draft parade, that to save  
the necessity of Reg. Returns, the Reg-  
ade Commissary would issue to the  
Reg. Commissaries, the proper allowance  
according to no. of men; hence I made  
no objection on him but issued for  
what he gave me, and his necessities  
made the rations short. The <sup>barren</sup> ~~but~~ things  
which of it was condensed, I issued some  
but it was thrown away, and was, I  
know, wholly unfit for use, and this  
may stand for the location issue

I hereby certify on honor, that on the 15th inst. they did, leaving Chattanooga for Knoxville Tenn. that it was, impossible to obtain any cars for the conveyance of Commissary Stores, that I carefully placed my seals, furnished me by Major Thompson at Corinth Miss on an open car. That during the first night, some from Chattanooga, they fell from the car and as I learn were crushed by the wheels, that this loss was not from any negligence on my part and hope the Department will not hold me accountable for the value of the seals.

I hereby certify on honor that the above statement is correct and further that I assisted in placing the seals on the car, and that it was care-fully done.

Sir

I wrote you 12<sup>th</sup> Feb  
last from Carthage on a few miles  
distant therefrom and give the Comm  
communication to a gentleman about to leave  
Camp to place in the P. O. at Ash Grove  
or some other point. Not have heard  
from you in relation thereto. I refer  
-ence. And forward it in this package.

I also send an account of Commissary  
Stores left at Mull Springs on each side of  
the River. I succeeded in getting my <sup>trunk</sup> ~~trunk~~  
containing my books and papers across the  
River, hoping to get transportation, but it was  
placed among the freight in the Commissary  
building with many others and was, finally  
consigned in the flames with every thing I had.  
My private property including \$261 in money  
was all lost. \$30. of the money however was  
public money, which I have not placed in  
any account. I hope - however the department  
will allow it in final settlement, as it  
was unavoidable. I greatly regret that the  
circumstances have been such that I could  
not remove my papers more promptly, but  
so they have been. Surely no other regret in  
the Commissary has been subject to so much  
labor and suffering as this. I have my
